**PRELIMINARY AMENDMENT**

Sir:

This paper is herewith filed in conjunction with the filing of a continuation application claiming priority from parent patent application S.N. 09/461,490, filed 12/14/99. Claims 3, 5 and 6 are allowed in the parent application, and are cancelled herein without prejudice or disclaimer, leaving claims 1, 2, 4 and 7 pending in the application.

Please amend the application as shown below.
